MUGO LAZARUS

SOFTWARE DEVELOPER

ABOUT ME

I have a strong grasp of computer science concepts and I am self-taught in a couple of languages. I hold myself in high regard when it comes to time management, respect and professionality.
My goal is to develop an innovative role that will enable me to acquire and develop better computing skills and problem-solving techniques required for a career in software development.

EDUCATION

KABARAK UNIVERSITY
2019 - present
Bachelor of Science in Computer Science

ALX SOFTWARE ENGINEERING
2022-present
Certification in Software Engineering

ZALEGO ACADEMY
2017-2018
Certification in Android Development in Java

THIKA HIGH SCHOOL
2014-2018
KCSE Exams(B+)

KAMENU PRIMARY SCHOOL
2007-2014
KCPE Exams(369/500 marks)

WORK EXPERIENCE

THIKA TECHNICAL TRAINING INSTITUTE
 IT TRAINEE
JUNE 2022–AUGUST 2022

I worked as an intern in the ICT department of the institution, where I performed various tasks such as installation and configuration of computer hardware and software, LAN and WAN networking and network troubleshooting and resolving any potential issues with the institution's ERP system.

THIKA HIGH SCHOOL
PEER TEACHER
JANUARY 2019–AUGUST 2019

I worked as a peer teacher in my former high school after my Kenya Certificate Of Secondary Education (KCSE). I was actively engaged in teaching subjects such as Mathematics, Computer studies, Chemistry, Physics and Biology. I also engaged the school in extra curriculum activities such as rugby.
